

Assembly Instructions for the Unfolding Enterprise Architecture

1. Print page 2 in best quality, preferably on photo paper.
2. Trim off the white border.
3. Fold on dotted line A.
4. Fold on dotted line B.

To Demonstrate

- Have the picture folded at A and B.
- Show the Technology Models as the supporting structure.
- Open on B and flip to the Enterprise Architecture Models as supported by the Infrastructure.
- Fold back on B and flip to the Holistic 3D Impact Model showing the top-down business view.
